

RMC 6155A

1U rackmount computer LGA-775 CPU W/ 1 PCI slot Compact size only 16.93" deep

» Features

- » 1U rackmount computer, only 16.93" depth
- » Heavy-duty steel housing
- » LGA-775 processor with 1 PCI expansion slot
- » On-Board video, Audio and 10/100BT LAN
- » 2 x 3.5" hidden drive bay
- » 270W 110/220VAC ATX power supply

» Specifications

Construction:
Heavy-duty cold-rolled steel.

ATX M/B:
Size: 12" x 9.6" ATX mother board
Processor: LGA-775 socket for Intel Core 2 Duo / Pentium D
CPU, 533/800/1066FSB
Memory: 4 x DDR2 240-pin memory socket (up to 8GB)
Chipset: Intel Q965+ICH8/DO
BIOS: Phoenix-Award BIOS
On-board Video
On-board Audio, AC'97
On-board 10/100BT LAN
6 x SATA ports, support RAID 0/1/5
1 x EIDE connector
Watchdog timer: reset support, 1-255 levels
3 x RS-232, 1 x RS-232/422/485 and 1x parallel ports

Devices:
2 x 3.5" hidden drive bay (for 3.5" EIDE HD)

Expansion slot:
1 x PCI 32-bit expansion slot

Front Panel Controls:
Power on/off switch
2 x LCD indicators for HD / powersupply

Cooling Fan:
2 x 40mm ball-bearing fans

Power supply:
110/220VAC full range, 1U 270W power supply
+5V@18A, +3.3V@16A,
+12V1@16A, +12V2@10A
-12V@0.8A, +5Vsb@2.5A
MTBF: 100,000 hours

Slide rail (option):
20" slide rail

Color:
Black

Operation Temperature:
0°C (32°F)~40°C (104°F)

Humidity:
5%~95% non-condensing

Gross Weight:
20lb

Dimension:
19"(W) x 16.93"(D) x 1.75"(H)
