- ▶ Option for USB keyboard and mouse selector
- ▶ Auto-sensing 100 to 240VAC, 50 / 60Hz power input
- ▶ Option for 12V / 24V / 48V DC power input

## Description

The KDR-AV19-2 is a 2U rackmount dual monitor console featuring 19" LCD panels with 1280 x 1024 resolution. The LCD panels can be left or right mounted for different installation environments. The console supports VGA + DVI-D input for each panel and offers optional inputs such as VGA + HDMI or VGA + 3G-SDI. Built into a slim and rugged 2U 22" depth rack drawer, it makes it the perfect solution to save valuable rack space and maximizes the use of the rack. This multi-display rack console has a built-in keyboard with touchpad, solid-bearing slide rails, and dual stereo speakers. Each LCD also has its own front LCD membrane that allows users to conveniently adjust and control the display settings.
